Unitarian Universalist Fellowship
61980 Skyline Ranch Road, Bend**

***A Benefit for KPOV, 88.9 fm,
High Desert Community Radio***

Written and Performed by Will Durst

A Will Durst show satisfies the appetite of both the casual and professional political junkie by accessing the topical through the jugular. Durst, a descendant of Swift, Twain, Rogers and Carlin, hits the hypocritical where it hurts the funniest. He specializes in Comedy for People Who Read or Know Someone Who Does.

KPOV has brought Will Durst to Bend three times before to sell-out crowds and rave reviews. This is a very popular event with KPOV's diverse audience. Sponsorship will create good will with loyal listeners who support businesses that support KPOV. You will also be contributing to the only non-commercial radio station in Bend, dedicated to creating high-quality programming by and for the people of Central Oregon.

Durst Case Scenario is a comedic exploration of America during the Time of Trump: a rollicking feast of outraged and outrageous satire as up-to-date as the latest 4 am Oval Office tweet.

In this lightning- paced 85-minute comedic tour-de-force, Will Durst analyzes where we are, how we got here and what destinations lie ahead. He chronicles the fear, the danger and all the wacky zany antics, palace intrigues, and pitfalls of polarization threatening our country and civilization in this, The New Abnormal.

Ably assisted by his trusty overhead projector and blessed with an extraordinary talent to engage his audiences with his hysterical observations and righteous exasperation, Durst mocks & scoffs & taunts in segments such as Trumpapalooza, the Bright Sides of Donald J. Trump's Presidency, the Symptoms of PTSD & Mike Pence is the Product of Reverse Taxidermy.

The Durst Case Scenario is playful and ludicrous and whimsical and droll and silly and serious and sarcastic, mischievous, incisive, trenchant, profound, and chock full of jokes. Many funny ones. A unique theatrical event delivered with stand- up timing and not less than a modicum of poetry.

Will Durst's performances are brought to you by the 1st Amendment to the US Constitution. See this show before this sort of thing becomes illegal.

KPOV has proudly provided listeners a "**Burst of Durst**" every weekend for the past ten years. Durst is acknowledged by peers and press alike as one of the premier political satirists in the country. His abiding motto is "You can't make stuff up like this."

KPOV is a listener-supported, volunteer-powered community radio station broadcasting at 88.9 fm to Bend, Redmond, Sisters, Tumalo, Terrebonne, Prineville and the greater Central Oregon region. We stream live at www.kpov.org, where listeners can find archived shows and information on how they can tune in on their iOS and Android apps.
